[P:] Anything new on Chile?

K: We have put out directives on Friday. Their propaganda is stepping up against us but nothing overt.

P: After making the statement he did [omission is in the original] it's as cold as that. Helms has to get to these people. Get out of it now.

K: We have made that clear.

P: Re-scheduling of debts comes up when?

K: Early next year. We have put in the instructions at the NSC meeting into the directive. I am holding a meeting on Chile in the Sr. Review Group every 3 weeks.

P: I feel strongly this line is important regarding its effect on the people of the world. If he can prove he can set up a Marxist anti-American policy, others will do the same thing.

K: It will haveeffect even in Europe. Not only Latin America.
