MEMORANDUM

July 11, 1969

TO : INR/DDC/CO - Mr. Tegethoff

THROUGH: INR/DDC - Mr. Buford

FROM : INR/DDC - James R. Gardner

SUBJECT: Santaigo report of talk with Ambassador Korry

In response to your request, I reproduce below extracts from an account of a conversation between [redacted] Santiago and Ambassador Korry on 27 June. The account was prepared in CIA and sent to Assistant Secretary Meyer, copy to DDC, on 30 June. A copy of the full document may be found in my files. The extracts are:

> "3. The Chief of Station stated that the Santiago Station under no circumstances would carry out any political action not approved by the U.S. Government and the Ambassador, and that the Station did not wish to become involved in making policy."

> "5. The rest of the meeting was devoted to the amicable clarification of the nature of Santiago Station's contacts with [redacted] and some problems of overlap with regard to contacts in political parties. The Ambassador said he was satisfied that no current Station contacts were incompatible with his policy objectives and he left to later talks between the Deputy Chief of Mission and the Chief of Station the matter of ensuring that political contacts would not become intertwined."
